RACHEL ROXXX

This slutty siren is so into herself and wants you to see her play dirty...

RAW

"I don't need you to love me," Rachel says kneeling down in front of her conquest's cock—"I just want your piece of meat."

Sucking it good and hard, the drippings of her saliva dribble down, and when she can practically hear her pussy pulsate, she hops on it—bouncing on top of his baloney pony like a seasoned slut.

"That's all I need!" She screams in reverse cowgirl—"This prick to fill up my tight, little twat!"

Lifting up her asscheeks a little more, she pistons on his rod—feeling her tummy tighten until she grasps hard on his mast.

"I think you know what's next," she whimpers, jumping off before filling up her mouth with his cock cream.

"I got what I needed," she says, wiping her mouth clean. "Now, get out. I have other men to fuck."

**This nasty nympho needs
cock at all times...**

The Mail Slot!

Subway Slut

I love living in New York City—mainly because you can fuck anywhere, and it's no big deal—which is perfect for a nympho like me. I tend to pick up a guy at a bar—or just on the street when I ask for directions—and fuck him in the alleyway—never in my apartment. Just having a hard cock drive into my tight, wet pussy while there are plenty of passersby and honking cars gets me so hot that I almost cum immediately.

When I'm feeling a little less slutty I like to ride the subways—I don't care where—and I just jerk off by crossing my legs as quickly as possible. It's true—women, in fact, do that—and nothing thrills me more than seeing a hot guy on his way to work—and imagining him going down on me in the moving train. I sometimes spread my legs a little, and see if the guy of interest spots my swollen clit—most of the time he does—and nothing thrills me more than to give it a little prod while I spot his hard-on raging in his polyester pants for three stops. He usually gets the point when I cross and uncross, but I always make sure to squeeze my legs right before he gets off so we both have a little something to think about on our long day. Yup, that's me—one dirty slut living in the big apple—and lucky for me, this city never sleeps—much like my pussy.

Big Apple Tramp—New York

Workin' Out All The Kinks

Being in shape is really important to me. I don't like to stick to just one work out,

either—I like to change it up with different types like yoga and the new hula hoop craze, but it all depends on the teacher. I tend to go for a day pass—just so I can fuck one of the teachers on purpose, then move on to the next guy, but this time around, I went to a kettle bar class and couldn't believe the balls on the teacher.

He was a hunky—six pack abs type—with blond hair and blue eyes. He was a little too pretty boyish for me, but it was his huge bulk in front of his pants that was

and finally when we were done, I made sure to ask him some “questions” and “Get some tips.”

While everyone else was leaving the dark part of the room, I slyly walked over to him, and asked if I could show him some of my moves and see if he approved of them.

Naturally, I started to bend down pretty slowly, and thankfully he got the hint and pulled down my sweaty shorts—sticking his large fingers in my crack. I wasn't even

grossed out at how hot I was, but more turned on than anything. I helped him out a little more, and just as I put my ass back, I didn't even feel his bulge—but his hulking hose instead! I couldn't believe how enormous his cock was—I needed it in my mouth immediately. Kneeling down, I inhaled his rod until I couldn't deep throat anymore, and when I thought he was going to plunge deep inside my pussy, instead, he spread my legs apart and put me on the mat on my back, lifting up my legs, as if to stretch me out. I still felt like my pussy was going to pulsate his cock, but instead, he tapped at my bunghole—making it pucker until he was two inches deep inside me.

“Does this feel good?” he questioned, waiting for my moan—which I did mightily—and when he heard that, he plunged in until he

getting me all wet and sweaty.

I made sure to get in the front, and while I wore cute, cut-off spandex and a midriff, it was my ass that I really wanted him to see. Whenever we did squats, I made sure to press my ass all the way down so he could get a good look of it,

was balls-deep in my ass.

“Fuck! You're so tight,” he said, slamming his cock until my pussy creamed for a minute straight. “It's no wonder you needed me to work out these kinks.”

I could feel him getting tighter, and when he did, he went faster—splashing his

porn I've been watching, all I've been thinking about was a double-dicking. I keep masturbating about it at night, when I finally asked my two friends: Mark and Luke. Mark's cock is longer—perfect for my pussy, and Luke's rod is thicker—just what I wanted for my ass.

We went to the school's parking lot, where the tennis courts were and I immediately got naked and went on my knees—sucking both men off until they were hard as rocks in my mouth. I felt myself get even wetter, so I put Mark on the soft ground and slid on top of him—still keeping Luke nice and wet in my mouth. I knew it was time when I tasted the first drippings of Luke's pre-cum. While bouncing up and down on Mark's rod, I could feel him getting tighter, but he couldn't cum yet—I needed to finish. I remember feeling so dirty, because I could see the science lab from where I was seconds away from getting double pounded. When I spread my legs a little more and leaned back, Luke pressed the purplish head of rock-hard mast deep inside me until I felt his balls in my undercarriage. I couldn't help it and came as soon as I was filled to the brim—literally. They were pounding me so hard and fast until Luke pulled out and splattered his semen all over my tits while I lifted myself up and sucked Mark dry until he was dribbling his leftovers all over my lips.

I still hang out with the guys, but next year will be my first year of college, and now I'm proud to say that I'm more than prepared.

Double Duty—Vermont

sperm deep inside me. He stayed in my pink pucker for a few more seconds, before pulling out and finger-feeding me the rest of his jizz.

Leaving the room, he said, "Tomorrow afternoon, I'll work out your other kinks. I think it's long overdue." I can't wait to see what else is up his dirty sleeve.

Kettle Bar Kink—Maryland

Schoolhouse Cocks

I've always been the girl with a lot of guy friends and never boyfriends. It's not that I'm homely-looking, because at 24 years old with perky C-cups and legs for days—that's certainly not the case. I just prefer to hang out with guys, rather than catty girls. Plus, the fact that I'm so hot turns me on, because I can pretty much fuck whenever I want—and I do.

Since I'm in my senior year in high school, I tend to take it slow as far as the screwing goes—just one at a time for me, please—but lately, with all the

The once average girl next door, is turning up the heat as a bona fide nympho...

RAW

"It's true: I used to be the girl that every guy in high school ignored," Riley says, splaying her legs apart—with a hulking dildo in her mouth. "But, now since I've discovered my sexual appetite—all I want is cock."

"Look," she says, spreading her lips apart. "I even shaved my pussy like all the porn stars." Watching all the girl goo ripple down her legs, she musters, "You think I should plunge this hard thing in my tight, teen pussy?"

Letting the toy slide in deeply, Riley's clit begins to fill up—making her belly quiver with delight. "I love a good fucking, but this is nice and slow," she says until the base is held around her tiny fingers.

Fucking it even more, the familiar waves waft through her stomach until she erupts—pushing the toy out of her snatch that's drenched in her juices.

"Oh, yeah," she whimpers. "That's exactly what all the boys need to know about me—I'm nothing if not a filthy whore."

Riley's appetite for cock is insatiable...

Sappho Series/New Sensations

Without a doubt, some form of sexual tension festers in virtually every office in America. Imagining the fleet of erotic executives sitting nice and proper at their desks—with their tight business suits and pin-stripped stockings—is enough of a visual to drive a person wild. Let's not forget the sound of stiletto sling-backs clanking against tiled floors, or the sight of tight asses bending and twisting to fill the file cabinets. Seriously speaking, most offices are a virtual hot zone of sexual energy tangled together within the walls of confining cubicles and undersized workspaces. With your secret stash of *Club Magazines* being your only erotic outlet for those grueling eight hours on the job, we hear your plea and are quick to offer you a cure.

Luckily, for us—director, Eddie Powell, and the delectable cast of industry heartthrobs, have devised a way to merge sex in the workplace with top-notch porn stars in Sappho Series's second episode of their all-girl extravaganza with *The Interns 2*—a movie that promises to yield high dividends. Without a minute to lose, work is now in session, and these executives are ready to conduct company mergers!

Today, sexual anxieties continue to run high at *Haute Couture Magazine*—an elite fashion editorial, whereby the staff members are just as excited about the new fall lineup, as they are about mixing and matching their perfect bodies. Helmed by the dubious plots and exploits of Editor-in-Chief, Julia Ann—things are about to get stylishly complicated.

The feature begins with Samantha Ryan—a senior sales executive for *Haute Couture*—walking into India Summer's office at *Penultima Chic* to offer her a two-percent price cut for a two-page spread in her magazine. With the erotic energy already percolating between these two dueling divas—India is quick to take the upper hand. No longer seeing the sales return they'd come to expect, Summer isn't keen on continuing her ad campaign with Samantha's company.

"We're looking for something that excited us!" India flirts, as Samantha lunges toward her, in order to lock their lips in a loving embrace to help tip the scales in her favor. Willing to do whatever it takes to secure her account—Ryan nibbles down the delicate slope of India's neck, and slowly fishes her out of her sexy tan dress. With her pert nipples fully exposed—Samantha wraps her

slender lips around Summer's breasts and loudly funnels the spongy tips into her mouth. "Do you like the way my mouth feels?" Ryan purrs, eager to continue her enticing exploration of India's cougar curves.

Fully aroused by the unexpected turn of events, Summer feverishly removes Samantha's smart suit, until both women are fully exposed and naked. Resting Samantha back against the expansive conference table—India spreads her legs open and begins slowly licking her way up Ryan's mile long legs. Running her tongue around her calves, over her knees, and across her inner thighs—Summer finally takes her position between Samantha's legs. Already dripping with anticipation, India's tongue is greeted with gooey pussy stringers that web her mouth to Samantha's sexy snapper.

When the women finish treating each other to multiple orgasms, Samantha puts on her clothes and smiles, "So, do we have a deal?" Instantly retaining her bitchy brava-da—India snorts, "Well, I wouldn't be so hasty. But I'll pass along my recommendation." Pissed off, Ryan discovers she's been used!

Back at *Haute Couture*—Dana DeArmond—the Editorial Assistant in charge of interns—is busy interviewing new hopefuls. Not impressed by the band of unattractive trolls she's just interrogated, Dana is quite pleased when Celeste Star walks through her door. Looking very put together in a tight grey skirt and frilly pink blouse, Celeste is a breath of fresh air. "What made you decide to seek an internship at Haute Couture?" DeArmond questions, unbuttoning a few buttons on her red blouse to expose her budding cleavage and ivory white skin.

A bit distracted by Dana's overt display of sexual interest, Star continues to impress her by revealing her academic accolades and awards. But, alas—Dean is far more interested in her tight twat than her take on Neo-Postmodern Studies. Knowing exactly what she needs to do to get the job, Celeste quickly locks Dana's office door and begins wildly kissing her.

With swatting tongues and rows of red kiss marks that stain each set of necks and chests, these girls are fully tearing into each other with rabid passion. Soon, clothes are flying off in all directions, and both women are left stark

naked and horny. "I love your eagerness to perform," DeArmond smiles, arranging Celeste's waifish body across her wooden desk. Aptly taking her spot on top—the girls converge in a heavenly sixty-nine spread, that has Dana retaining her dominance from up above.

Licking twats and sucking slits, these women know the exact buttons to push to please one another, without the need for Powell's direction. Instead, he stands back and allows their natural chemistry and lust for one another to unfold.

After both pussies are thoroughly licked and expertly explored with a myriad of fingers and flopping tongues, Celeste lovingly rests her sweaty body against Dana's and chimes, "So, when can I start?" Holding her tight, Dana smirks, "You already have!" It's hot!

Meanwhile, an image disk containing the photo shoot for the new ad campaign and cover image has gone missing. In an effort to save the day and her job, Zoe Voss, the intern, rushes over to Sinn Sage's photography studio to help assist with the reshoot.

Intrigued by Zoe's understated beauty and height, Sinn opts to use Voss as her muse when the scheduled model fails to show up for the assignment. Shaking out her reddish hair from the confines of a tight clip, and removing her glasses to access the symmetry of her striking face, Sinn's snap decision is only reaffirmed the moment a model starts to emerge before her eyes. With no other alternative, Zoe agrees and goes straight into hair and make-up.

Feeling glamorous and seductive—Zoe reemerges looking like a statuesque bombshell with tousled hair, an expensive bra and panty set, and flesh colored stilettos. "I'm ready," Voss sheepishly sighs, stepping onto set. Walking her through and encouraging her every move, Sinn begins loosening up Zoe. In time, Zoe proves to be a natural, falling into interesting poses without even trying. "You're a natural," Sinn boasts, clicking away on her camera to capture Zoe in motion.

When the shoot is completed, the two pounce on each other like two rams colliding. With equal dominance displayed between each, Sinn removes her clothes and lays on top of Voss in missionary position. With their legs intertwined and their pussies grinding—these ladies maintain killer eye contact until each starts to explode with their own orgasmic release. "I'm cumming," Zoe chants, as her porcelain colored chest turns as red as a strawberry and her clit visibly plumps. Sinn quickly follows suit, riding the climatic buzz streaming from Voss's beaver.

Still hungry for more of her magnificent model, Sinn arranges Zoe on her hands and knees with her ass up in the air. Smacking her slender buttocks, Sage takes her place behind Zoe, and has a field day devouring the crinkly skin around her tight anus. They end their scene here, creating an infectious smile that cascades over everybody's face in the room.

As Zoe brings the new image disk to Julia Ann—*Haute Couture's* conniving Editor-In-Chief—she is a bit nervous and unsure about how the photo shoot will be perceived. Chucking the disk into her computer, Julia flips through the images on her screen and snaps, “Is this a joke?” Trying desperately to explain her predicament and Sinn’s modeling request of her—Ann softens a bit and continues, “But I’m impressed. Sinn said

I’d like the pics. You’ve got real beauty under there.” Pleased by Julia Ann’s approval, Zoe relaxes for a moment and responds, “So, I’m not in trouble?”

Learning that her shots were so incredible that she will be featured on the *Haute Couture* cover, Zoe is elated, feeling on top of the world. Now disappointed for not recognizing Zoe’s unmistakable beauty and sexual appeal sooner—Julia Ann is quick to make good on her new discovery. “Come over here, baby,” Julia Ann plays, coaxing Zoe in for a session of lesbian afternoon delight.

Easily dominating the slender nymph with her voluptuous body, Julia Ann smothers Zoe with a flurry of sultry kisses that dampen her thin frame. Wanting to show off her level of sexual acumen, Zoe bum rushes Julia Ann against the wall of her office and holds her leg up with the crook of her elbow. Now making love at a feverish pace, Zoe removes Julia’s polka dot blouse and begins gorging on Julia’s melon-shaped mammaries. “Shut up and take it,” Zoe hisses, showing Julia who’s the new boss in town.

Loving Voss’s aggressive manner, Julia leads her on top of her desk. Intertwining their legs together like two juicy ropes, the women interlock their arms in a tight

embrace and begin milling their pussies together. With pussy spittle bursting up from between their legs, the room is silenced by their level of sexual concentration. "Julia is amazing to watch, and Zoe..." Powell soulfully interjects, trying his absolute best to keep his camera right on the action. After several more positions and more love liquid that splatters the desk like lemon oil, the girls end their scene on top of each other, completely out of breath and satisfied.

As the story continues to unfold and more corporate espionage and backstabbing are plotted, we can only sit back and pray that we'll be invited back to the taping of the third installment of this enticing new series. With a strong level of dedication exuded by all and sensational sexual encounters that capture authentic lesbian lovemaking, director Eddie Powell continues in his tradition of creating an engaging storyline through crisp directing. With premiere pussy pummeling afoot and plenty of hot girls to choose from, lesbian aficionados will certainly revel at the heat contained within.

Their suits leave little to the imagination—but their tongues are a different story...

"It's not the sun that's beaming down on us," Celeste musters, "I really am that wet for you girls."

Quickly, Sammie gets between her gal pal's legs—making sure her tongue gets between each crevice of her pert petals—licking up each and every drop of her cooze cream. "Oh, fuck! That's it, baby!" Celeste moans, "Lick that pussy till it's nice and ripe!"

Flicking her bean nonstop at the action, Clara finally joins in—putting Sammie in doggie—finger fucking her pussy until she feels it grip against her fingers until her goo gash smothers Clara's digits.

Between the incessant groans and pleasure moans—and the raging waves from the sea—the girls all explode—leaving themselves with more of a glow than before.

"See why we're so close?" Celeste musters, "We all have pussy in common."

LEXI BELLE

31956

"I feel like every picture is a new me," Lexi says, stripping off her clothes until she is fully naked. "Like this dildo? It's new to me, so I will use it in a different way."

Setting it down on the ground, she hops on top of it—sliding down until the pulses from her puffy clit increase. Enjoying it even more, she begins to bounce on it—making sure it gets in good and deep until the ripples of her belly begin to puff out.

"Oh, yeah! This is why I'm still in the business," she musters, flicking her bean while her knees go up and down. "I can't get enough of being a dirty whore—and I love that the whole world knows."

Moving to her back, she shimmies the prop one more time until she is breathless from her toy fucking.

"See that, world?" Lexi says, "I'm the biggest slut star this industry has ever seen."

AMABELLA & MATT

When this dirty whore craves more romance, she gets it from behind...

30719

"I know I like fucking you in alleyways," she moans to her fuck buddy, Matt, "But I need to be romanced."

Spreading her legs wide, Matt traces his tongue down her belly slowly until he reaches her shivering snatch.

"Yeah, that's it—nice and slow," she hums, relishing in his sweet rhythm.

With his cock rock-hard, Matt waits before fucking her hard.

"You said you wanted to be romanced, right?" He questions, pulling her up in doggie. "I still want you to be the nasty slut you are," and when he holds her ass in his hands, he plunges into her slowly—making sure she feels every inch of his manhood before getting inhaled by her constricted cunt.

With soft pumps, Amabella starts to cream—jutting out jets of her girl goo until her breathing gets more labored.

"That's it, baby, cum as fast as you can," Matt says, before shooting his load deep inside her.

"Moving to her back, she licks up the remnants of her man's splooge and whispers, "I still love swallowing your cum. I guess I should watch what I say."

Adam and Eve contract star, Alexis Texas is easily one of the porn world's top stars. Is it because of her sizzling sex scenes? Her gorgeous looks? Or is a big part of it her infamous big juicy booty? It's the sum of all parts for this XXX superstar and we spoke with her about all that and more...

First, congratulations on becoming Adam & Eve's newest contract star. At this point in your career, why did you decide to contract yourself with one company?

It felt like it was the perfect time to settle down with one company. Adam & Eve is a very prestigious and well-known company. They are also very family oriented, and are a humble company. I was looking for a home where I could settle down and help create my

70 BEST OF CLUB

kind of movies. Eventually, I hope to direct some of my own productions as well.

Does your Adam & Eve contract include directing?
My contract doesn't state anything about directing. However, from what we've talked about, I definitely think it might be a possibility later on down the line.

Was becoming a contract girl always one of your porn goals?
Actually, I was rather indifferent about it at first. Instead, I just kind of made my own career and did things in the opposite way. I busied myself with shooting other types of movies, for a wide range of companies. It never really occurred to me that I could become a contract girl, and no one ever approached me. At one point, it just didn't seem achievable, although it didn't matter. I was so happy with the way my career was going already. I was happy being my own independent contractor. But, when I was approached, it was very cool and exciting. I didn't take the offer lightly. I thought long and hard about it because being a contract star is very different from the path I have been traveling on for five or six years now. Adam & Eve and I seem to be a good fit. This is a good time in my career to change my path and continue forward with one company.

You've handled your career very intelligently. With the path you took, you were able to experience all the different aspects of porn, including participating in the various genres of porn productions. As a result, you have gathered a strong understanding of how this industry works. We're sure that all of this education has served you well.

movies also allowed fans a more candid look at the person you really are. Yes, those interviews gave a more intimate portrayal of who I am. I had an opportunity to really express myself and show the world who I am and where I wanted to go. Each movie showcased a little more about my growth as a person and as a performer.

Are you currently working on exciting new projects under your Adam & Eve contract that you'd like to tell us anything about? Well, we haven't shot anything yet. My contract is brand new, We are going to be in preproduction in November, although I am still not sure of the exact project we will be working on.

Which directors might you be working with for Adam & Eve?

I'll most likely be working with: David Lord, Joshua, and Francois Clousot, to name a few. I know these people and am comfortable with them. They are all great directors to work with. It will be great to work with friends, people who know and care about me. In that environment,

Yes, I definitely agree. Some girls start out with a contract right off the bat. In that situation, they really don't know anything about the industry, or how things really work. I chose to do my career a bit differently. I've been happy with the choices that I've made, and the way that my career has worked for me. I'm hopeful for what is coming up in the future.

Of all of your many porn accomplishments, which makes you most proud?

The *Buttwoman* series I did with Elegant Angel made me very proud. I did three separate *Buttwoman* movies with them and was one of very few performers to be given that honor. That was really fun because it offered me a different approach to how I had been doing porn. The movie was solely geared toward my style and what I like. I got to choose the people I wanted to work with, and was able to interject my own ideas into the project as well. Those movies allowed me to express myself as a performer and were beneficial for my career.

The interview sessions at the end of those

I'll also be comfortable sharing my own ideas, too.

Are there more layers of Alexis Texas that we haven't seen yet? Will any of those new layers shock us?

I've always been a firm believer of the phrase 'never say never.' I'm cool with trying everything at least once. I'm definitely still very interested in being in the adult business that's why I'm continuing my career and have signed a contract. Now, I'm going to be able to offer my fans a different range. There is much excitement to come. You never know what Alexis Texas is up to.

Which directors have you enjoyed working with most?

Jules Jordan is one of my favorite directors to work with. I did a lot of stuff with him before signing my contract. He's so creative and really has a firm grasp on the concept of it all. He gets how to shoot a porn movie because he is a porn fan himself. Some directors these days try to be too technical. His approach is more organic and raw. He pulls out the very best in performers and they in turn want to deliver their very best back to him. Jules Jordan is a common response from most performers when asked that very same question.

Why do you think that is?

It's very funny because Jules and I are quite similar. In fact, we share the same birthday, and are the female and male version of each other. We relate each other very well. When we want to try out a new concept, we both understand the details and go for it. He is so perverse himself, so trying something different with him is always exciting. We're not afraid to try something out of the box. There is nothing typical or cookie-cutter about Jules Jordan's movies. He produces more old-school type of porn. He's great.

Known as the "Professional Pervert", it's safe to say that Jules Jordan shoots great porn because first and foremost, he is a porn fan.

Consequently, just because a person shoots porn doesn't necessarily mean they are into porn. That aspect about Jules is an important one to note. Especially nowadays, people are turning to porn simply because it is a job. It is not their passion. It's fun to work with performers and directors that are passionate about our industry. Another reason why I signed the contract is because I just grew so tired of people being so negative about porn. I'm still having fun and I love what I do. I only want to surround myself with likeminded people and produce some really great productions. If that means doing less scenes per year, then so what? At least I know that what I do produce will be quality work. I'll also have more time to continue with my dancing tour.

Do you wear a particular scent of lotion or type of perfume?

I tend to go through phases, and switch things up every couple of months. I was wearing a fragrance called Very Hollywood by Michael Kors. On my trip back from London, I bought a bottle of Guilty by Gucci. It is very yummy. I feel sexy when I wear that scent. I'm wearing it now.

What is your favorite aspect about the adult industry?

The porn industry allows me to express myself the way I want to. There are so many different variables that I get to work with and they are all exciting. For one, I always get to work with different sexual partners. And, since everybody

is so different, it makes things exciting. When having sex with others, you have an opportunity to learn more about yourself. Some people are able to bring out different sides that you never even knew you had. Sometimes you're incredibly attracted to your partner. Other times the feeling is completely just physical in nature. It's very interesting when you are able to separate the emotional side of sex from the purely physical side of sex.

With that being said, which porn performer can take you over the edge?

I have a group, a handful of guys that I love working with. The guys on that list are: Mr. Pete, Michael Stefano, Johnny Sins, Mick Blue, James Deen, and Erik Everhard. Erik is another one of those guys that I get along with very well because he is a true pervert. I respect that about him. In fact, I like perverts. I am a pervert.

So is true what they say, 'Pervs of a Feather...?'
Yeah, we fuck together!

What has been your favorite place to travel to outside of the United States?

Aside from London, I really enjoy traveling to Australia. I've been going to both places quite often for the past two years. I've been to Australia three different times for porn conventions. Every-thing there is beautiful, natural and unspoiled. The people are also very friendly. It's a fun environment to be apart of.

Do you find that you fuck differently when you're traveling? Does the new environment and the excitement

going on around you make you horny?

Well, I don't really need a different city to achieve that. I'm horny all the time!

So, if the wind blows you're ready to go? If you're in Van Nuys, California, you're ready to go?

Yes, remember I am Puerto Rican. I have a sex drive like a man. I'm horny all the time. I just can't stop. I mastur-

Can you tell whether or not a person will be bad in bed by the way they kiss you?

Well, if they can't kiss me right then they're not going to get into bed with me at all. If you can't do that right then you're not going to be able to do any- thing else right either. I'll pass!

What type of clothing makes you feel sexy?

bate at least two times per day, every day.

What is your toy of choice?

My Hitachi wand is always plugged into my wall! I call him Bob. Bob is my pretend boyfriend.

Is Bob one of your favorite ways to reach orgasm?

He's one of my favorite ways, that's for sure. Another way is being penetrated by a penis. Hardcore fucking is great for me. But, my favorite way to reach orgasm is when I'm in a threesome with another girl and a sexy boy.

Wearing lingerie makes me feel sexy, even when I wear it around the house. I love dressing up and feeling pretty.

We like that answer. So, what do you sleep in?

I sleep in booty shorts and a tight small tank top.

What are you wearing currently?

Right now, I'm wearing a long, black maxi dress with bare feet. I'm sipping a glass of wine and am comfortable at home. I'm getting ready for Bob, 'It's almost time, baby. Just a few more minutes!' •

KIERA & TJ

When this anal virgin begs to get fucked in the backdoor, her man is more than happy to oblige...

RAW

"See what I did?" Kiera says, swallowing TJ's balls in her mouth, with her ass up in the air. "I'm ready to get rammed in the back."

With a mouthful of cock, Kiera teases her man until pre-cum oozes down her chin. Swallowing every inch of his pearly dripping, she climbs up on his cock like a horny rider—making sure he feels the soft feathers from her dildo.

"This is so hot—I feel like I'm getting DP'd," she says. "But, I bet your cock will be even better."

Teasing her back, TJ musters in her ear, "Yeah, you're right, but this is just as much fun."

Just as his rumbles start filling up his balls, he pulls out—spraying her face with his man juice—watching as she licks every bit from her lips.

Playing with her soft feathers, she moans, "Next time, I bet you'll show me the ropes. Right now, though—I'm having way too much fun."

ASHLEY, SABBY & CHOKY

This scout leader orders two soldiers to fuck her hard...

"Now, boys," Ashley whimpers, while looking at both her soldier's cocks. "You are my finest men, and I order you to fuck both my holes," she says, swallowing their hard logs until she is throat deep in man meat.

While inhaling each cock, she starts to play with her pussy—her fingers going back and forth from her oozing hole and swollen clit—making sure she's ready to take on the action.

"You see this, boys?" she hums, showing her shiny fingers. "This is how easy I'll make it for you."

Jumping on top of Choky first—her pussy slides down on his pole with ease, bouncing up and down with Sabby's mast still deep in her throat.

As her ass begins to pucker, she's ready for the double dicking, and puts her legs up—a perfect view of her empty asshole.

"Sabby, it's your turn to show me what you're made of," she says, while he presses into her until he's balls-deep inside her back hole.

The double penetration is exactly what the doctor ordered, and right as both men fill up her space even more, she bursts—raining her cooze cream until she is happy.

As Sabby moves out of her pink pucker, he stands in front of her, stroking until he's about to pop. While she gets down, the men surround her while they take turns splashing her face with their splooge.

Licking up their meshed mash up, she says, "You boys did well. I'll see you here tomorrow after boot camp."
